

Case Study

Name : Andrew Strong

Job Role : Global Information Security Director

Company : Unilever

“ I would definitely recommend them. The staff are very knowledgeable about the market, the service is cost effective and the results themselves are well worth it. ”

Acumin has worked with Andrew Strong for nearly 8 years, in his current role as Global Information Security Director at Unilever, and in his previous position as Director of Security for a global Investment Bank. Over this time, Acumin has worked with Andrew to build his information security and risk management teams.

Andrew speaks of why he's chosen to use Acumin over the past 8 years: “I particularly like the fact that the calibre of candidates is always high. Because

Outline of Case Study:

- Andrew Strong is Global Information Security Director at Unilever.
- He has used Acumin's specialist recruitment for nearly 8 years, helping build world class information security teams.
- Acumin has most recently worked to recruit two senior members for his team at Unilever.

Acumin make the effort to research the role and candidates properly (they go further and beyond the job description alone), consequently you very rarely get mismatched candidates. There is also a quick turn around on new requests and always a positive response, which means a lot.”

Most recently, Acumin has worked with Andrew to recruit two senior members for his team at Unilever. After an exhaustive search and thorough interviewing process, both roles were filled.

“ There is also a quick turn around on new requests and always a positive response. ”

In summary, Andrew says: “I would definitely recommend them. The staff are very knowledgeable about the market, the service is cost effective and the results themselves are well worth it.”

Acumin Consulting are renowned for their specialist knowledge of the Information Risk Management market place - including information security and business continuity.

“ I particularly like the fact that the calibre of candidates is always high. Because Acumin make the effort to research the role and candidates properly (they go further and beyond the job description alone), consequently you very rarely get mismatched candidates. ”
