“ I liked the level of responsiveness you get... Acumin really know & properly qualify their candidates. ”

Acumin has worked for Sarah on a number of job roles and has most recently placed a European Head of Marketing. Acumin presented a number of very highly regarded candidates in the market. This was to be a tough hire - despite the role being primarily UK/EMEA based, the US Executives were very involved, as was the VP of EMEA. After a comprehensive search Acumin presented a final candidate for the role - she went through an in-depth interview process, resulting in an offer and acceptance. Although relationships were also built with other key contacts at NetIQ during this process, Sarah remained the main point of contact throughout for Acumin.

“ Not only are they [Acumin] very helpful and friendly, they have a good understanding of their marketplace and even more importantly, a good understanding of how to work with me. ”

Sarah says of her experiences of working with Acumin so far: "I would definitely recommend Acumin for their specialist knowledge of the market, the quality of CV's that you will receive, and their overall knowledge of their candidates."

Acumin Consulting are renowned for their specialist knowledge of the Risk Management market place - including data protection, information security and storage.
