

Case Study

Name : Simon Church

Job Role : Vice President, EMEA

Company : Verisign

“ Having had first hand experience of working with Acumin as a specialist recruitment company, I was impressed with their knowledge and approach. ”

Acumin Consulting was approached by Verisign to identify a Vice President, EMEA for Verisign Security Services.

Acumin undertook an extensive search of some of the industry's leading players within the European services & software market. After a rigorous search and many hours of interviews and qualification with Acumin's consultants, a final shortlist was drawn up to present to the executive team. This shortlist contained several highly accomplished candidates who
